- **Heart (30 min - 3 hr):** Hedione dominates with radiant floral-citrus character. Integrated herbal complexity from melissa, star anise, and mimosa creates sophisticated anisic-green depth. Smoky birch tar and rosy damascone provide Aventus DNA. Sandalwood adds creamy woody warmth.
- **Base (3-8+ hr):** Authentic patchouli foundation (EO + patchoulol) with galaxolide softness. Deer musk and helvetolide provide animalic-clean musk backbone. Iso E Super ensures lasting radiance.

4 Key Features

- **Integrated Herbal Complexity:** Melissa, star anise, mimosa, and galbanum provide sophisticated green-anisic character throughout the wear
- **Authentic Patchouli:** 40 μ L EO + 10 μ L patchoulol for full earthy-woody spectrum
- **Enhanced Citrus:** Linalyl acetate + C-12 MNA + bergamot for sparkling projection
- **Balanced Musk Foundation:** Galaxolide softness + deer musk richness + helvetolide performance
- **Unified Composition:** All elements work together rather than separate accords

Performance: 7–9 hours with excellent projection and sophisticated complexity. The integrated herbal elements add depth without competing with the core Aventus DNA.
